

0.1 the impact of the Beneficial CO Code

Table 1: Defect counts from LLMs under defective CO code versus the Blank group and beneficial CO code, we used all 1,000 data in the "Belowline" group for our experiments. Safe code was used to construct the data for the beneficial CO code group.

model	<i>defective CO code</i>	<i>blank</i>	<i>beneficial CO code</i>
Qwen2.5-Coder	657	380	357
deepseek-coder	352	216	198
codegemma-1.1	437	246	230
